

Angelina County

| | | |
|---|--|---|
|  | <p>The Region 5 2017 Regional Needs Assessment (RNA), covers 15 counties served by the Region 5 Prevention Resource Center at the Alcohol and Drug Abuse Council of Deep East Texas.</p> |  |
| <p>The RNA focuses on underage consumption of alcohol and tobacco and the consumption of illicit drugs or prescription drugs not according to a doctor's orders. It contains both quantitative and qualitative data about each of the counties. Both risk and protective factors for substance use as well as descriptive statistics about the population are included.</p> | | |

This county summary includes numbers for the county based on its population and that can be compared directly to other counties, to the region, to the state or to the U.S.

| | | |
|----|-----------------------|---|
| 1 | Younger | Angelina County has more young people (under 25 years old) by percentage (35.00%) than the region (33.4%). Its "old" people (ages 45 and older) represent 40.40% compared to the region's 42.30%. |
| 2 | Growing | Population estimates for Angelina County have grown from 2014 to 2016 by 1.0% compared to the region's estimated loss of population of -0.1%. |
